TITLE: Engineering Intern (2 Vacancies)
EMPLOYMENT TYPE: Temporary (Non-Exempt)
DIVISION: Rail (Engineering and Constructions)
APPLICATION DEADLINE: Friday, March 1, 2019
PAY RANGE: \$18.00/hour
WORK LOCATION: 1250 San Carlos Avenue, San Carlos, California
WORK SCHEDULE: Starting June 17, 2019 – 320 Hours Maximum

INTERNSHIP PROGRAM MISSION:

The Internship Program gives students the opportunity to apply the skills that they have learned in the classroom. In addition, the program gives students the opportunity to consider a career in the transit industry. The interns will gain invaluable experience by partnering and learning from our team of professionals.

JOB SUMMARY: The Engineering Interns will assist engineering and construction professionals on a variety of SamTrans and JPB/Caltrain capital improvement and State of Good Repair projects throughout all phases of project delivery: planning, technical design and plan review, and construction engineering. The Engineering Department also oversees the projects of other public agencies and utilities on the railroad property.

EXAMPLES OF ESSENTIAL FUNCTIONS AND DUTIES:

- Provide essential support to staff by assisting with improvement projects which include SamTrans buildings and bus maintenance facilities, Caltrain passenger stations, and railroad track and system rehabilitation.
- Assist staff with preparation and maintenance of facility and station designs, standards, plans, specifications, and other project documents.
- Assist construction managers and staff with field inspection and survey work.
- Work on a variety of job assignments, both in the office and the field.

EXAMPLES OF ESSENTIAL DUTIES:

- Perform all job duties and responsibilities in a safe manner to protect one's self, fellow employees and the public from injury or harm. Promote safety awareness and follow safety procedures in an effort to reduce or eliminate accidents.
- Perform other duties as assigned.

SUPERVISION: This position will work under the direction of an Engineering Manager, Project Manager or Senior Engineer, who will establish goals and objectives, and evaluate performance.

MINIMUM QUALIFICATIONS:

- Must be currently enrolled as a Junior or Senior undergraduate, or a graduate student in Civil Engineering, Mechanical Engineering, Electrical Engineering, Construction Engineering or a related program.
- Must have a basic understanding of civil engineering principles and the construction process.
- Must be organized and able to work independently on assignments once sufficient direction has been given.
- Candidate should be proficient in the use of word processing and spreadsheet programs, with preference given to candidates who are familiar with CADD software.

SELECTION PROCESS MAY INCLUDE:

- Applications will be screened for minimum qualifications and completeness. Finalists will be interviewed by a selection panel. Selected candidate will be subject to background investigation.

EMPLOYMENT BENEFITS AT SAMTRANS:

- Free transportation on SamTrans buses. Incentives are offered for riding other forms of public transit and for carpooling to and from work.

HOW TO APPLY:

Although we encourage applicants to apply online, we are still accepting paper applications.

- Apply online or complete a SamTrans Employment Application per instructions printed on the application.
- When completing the online application, please follow instructions on the Prospective Employee Reference Guide found at www.smctd.com/jobs.html. When completing the paper application, please specify the position for which the application is being submitted.
- Incomplete or improperly completed online or paper applications may be rejected even if you are qualified for the position for which you are applying. It is your responsibility to ensure that the online or paper application reflects the work experience and education needed to meet the requirements for the position(s) for which you are applying.
- Your completed application package must be received by the District's Human Resources Department by the specified deadline to receive consideration. Paper applications must be received by the Human Resources Department by 4:30 pm on the application deadline date. Online applications must be submitted prior to midnight on the application deadline date.

The Human Resources Department will make reasonable efforts in the recruitment/examination process to accommodate applicants with disabilities upon request.
